The Weekly Bulletin for Great Baddow High School

HEAD LINES

WEEK A

WEEK BEGINNING
MONDAY 14TH JUNE 2021

YEAR 7 PARENTS' EVENING

Information regarding the Year 7 Virtual Parents' Evening on Wednesday 23rd June 2021 will be emailed to parents on Monday 14th June.

ENGLISH VOCABULARY

June vocabulary sheets are now out! This month's words are all based on a selection suggested by different subject teachers. Students will receive a credit if they use the word of the day with an English teacher! We hope you are finding these sheets a good source of new words. #GBHSbroadeningvocabularyforsuccess

YEAR 8 SPANISH

Over May half term, Year 8 Spanish classes were set the challenge of making a tortilla española or a paella, as they have been learning about food in Spain. Some fabulous and extremely tasty looking entries were submitted.

Dear Parent,

We have returned to school with a spring in our step! For the first time in a long while it feels like everyone has had a proper break and is ready to face the challenges of the last six weeks of term.

Sports tournaments and athletic events have taken place every day this week and the students have embraced the opportunity to participate and compete in a range of activities. The organisation and delivery by the PE and sports team has been exceptional and their efforts have been blessed with wonderful weather that has further enhanced the experience for everyone involved.

I would like to wish our Year 10 students the best of luck with their Pre Public Examinations starting next week and my congratulations go to Year 12 students who have just finished their assessments. Teachers have worked tirelessly to moderate, collate evidence and assess work for Year 11 and 13 students in readiness for the submission of Teacher Assessed Grades and we look forward to celebrating their success later this year.

As we progress from COVID19 our attention focuses on further enhancing our standards and expectations. Uniform, jewellery, equipment, organisation and greater levels of independence will continue to be a focus this half term as we prepare students for transition to the next phase of their educational journey. Punctuality at the start of school and for lessons is being monitored carefully, so it is important for students to be on time.

We have made some adjustments to the timings for lunch and break for different cohorts to support the assessment process and take advantage of the additional space in school now that Year 11 and 13 have left. A letter for each year group will be emailed to parents and posted on Edulink for reference, providing detailed information regarding standards, expectations and logistical changes. The next few weeks are particularly important to ensure that students finish the year with confidence as they prepare for the new academic year. Transition and induction events will take place throughout this period along with a series of catch up and summer school sessions to support learning and progress.

Please keep home testing and recording the results to protect our school community.

Thank you for your continued support.
Take care.

Mr Paul Farmer, Headteacher
